

COURT ORDERED QUARANTINE POLICY

Animals under quarantine are accepted at the discretion of the Executive Director or GCHS board or as mandated by court order and law enforcement officers. Acceptance for quarantine will be determined based upon the seriousness of animal aggression, space available and the work load of the shelter staff. Animals will not be handled by anyone (including owners) except designated GCHS staff. Before accepting the animal into quarantine, the owner of the animal will pay any charges, and agrees to, and is responsible, for any additional fees incurred.

Effective 10/14/09
